Hi,

I'd like to post North Las Vegas Pretreatment Program documents on our NPDES Public Notices website for Nevada. I hope the timeline works for you all. Here's the information requested for the posting:

- Title of request: North Las Vegas Pretreatment Program
- URLs to be updated: <https://www.epa.gov/npdes-permits/nevada-npdes-permits>
- Description of work: Post the Public Notice and North Las Vegas Pretreatment Program Submittal documents on this website
- Due Date: 06/11/18 COB
- Attachments, if applicable: 32 total [including public notice, "00 - Public Notice - North Las Vegas Pretreatment Program.doc" - not sure if you want this doc as a separate link, or can just print the verbiage on the website directly; I don't really have a preference], attached
- A cc to your supervisor ✓

Please let me know if you have any questions or need any other info.

Kind regards,
